# FMLWL LED Wraparound

## Multipurpose Linear Ambient Lighting

The FMLWL LED Wraparound by Lithonia Lighting® provides efficient and economical ambient lighting in surface-mount applications. The stylish, low-profile linear wrap delivers up to 50,000 hours of energy-saving LED lighting with widespread, even illumination. With simplified installation and a durable polycarbonate lens, the versatile FMLWL is perfect for a wide variety of residential, commercial and institutional applications.

### Key Features and Benefits:

- Ⓢ Available in 2-foot and 4-foot versions for application versatility
- Ⓢ Equivalent light output to traditional 2-lamp T8 wraparounds in a sleek, modern design
- Ⓢ 120V residential grade units are ENERGY STAR® certified
- Ⓢ Multi-volt, higher lumen versions are optimized for commercial applications, provide 0-10V dimming capability and are DesignLights Consortium (DLC) qualified products
- Ⓢ Suitable for use in damp locations such as laundry rooms and stairwells
- Ⓢ Contractor Select™ options for the most popular and readily available configurations
