

CITY ELECTRIC SUPPLY PARTNERSHIP

CES Teams Up with Flo

Coming soon to City Electric Supply both Residential and Commercial products by Flo. Rugged, safe, refined and reliable, FLO Home is a highly resilient charger made to last more than 10 years. Backed by a 3-year warranty, every component is designed and developed to meet the highest standards.

Easy to install, indoors or outdoors.

As a professional, you know that installing the best product for your customers' needs is key. FLO Home is designed for a safe, easy installation and configuration. It can be installed either indoors or outdoors. With its unique NEMA 4X aluminum casing and heavy-duty cable, it's ready to withstand even the harshest weather conditions in Canada. Electricians love it!
