

New! Klein Tools Hard Hats

10 Hard Hats! Safety, Comfort, Fit and Convenience! Game Changing Innovations!

Introducing a new generation of Klein Tools’ **HARD HATS** - inspired by the tradespeople who wear them every day— designed, engineered and built with a focus on optimal **safety, comfort and fit!** These hard hats are equipped with features to enhance user experience in demanding jobsite environments:

- Meets ANSI Z89.1-2014, CSA Z94.1-15; EN397:2012+A1:2012-Lateral Deformation (LD)
- Vented models with large, adjustable vents that can be opened or closed to improve air circulation
- Replaceable, machine washable, padded sweat-wicking band and top comfort pad
- Accessory mounts on front and back to precisely attach Klein Tools’ headlamps (no straps or zip ties needed!)
- Pivot adjustment easily positions large ratchet mechanism to clear bandana knots and pony tails
- Flexible open-frame suspension improves ventilation; rear neck pad hugs the head for a secure fit

NON-VENTED **CLASS E**

VENTED **CLASS C**

The **CLASS E** Hard Hats (**NON-VENTED**):

- Tested up to 20kV, this Class E, Type 1 hard hat meets ANSI Z89.1-2014, CSA Z94.1-15; EN397:2012+A1:2012-Lateral Deformation (LD)
- Cap Style and Full Brim available; with and w/o headlamp*

The **CLASS C** Hard Hats (**VENTED**):

- Class C, Type 1 hard hat **with adjustable vents** meets ANSI Z89.1-2014, CSA Z94.1-15; EN397:2012+A1:2012-Lateral Deformation (LD)
- Adjustable vents can be opened or closed for maximum air circulation while meeting stringent safety standards
- Cap Style and Full Brim available; with and w/o headlamp*

*Orange hard hats available in **CAP** style only.
Both orange hard hats include headlamp.

All hard hats include user guide and reflective stickers
