

LAMP RECYCLING MADE EASY.

Torbram Electric Supply makes lamp recycling easy; from pre-paid packs to bulk pick up - we tailor programs to match our customer's needs.

Keeping an Eye on the Environment

We are committed to supplying the most environmentally friendly products available in the market place today. Products such as low wattage linear fluorescent lamps, LEDs and a full line of CFLs make up some of our offering.

For more information contact your local T.E.S. branch.

Torbram Electric Supply is a registered
Take Back the Light distributor.
