GENERAC®

ECOGEN™ 15kW VARIABLE SPEED RESIDENTIAL STANDBY GENERATOR

Whether the off-grid lifestyle is a choice or a necessity, you are responsible for producing the energy you consume – even when there's no sun or wind. Ensure you never have dead batteries with the Generac EcoGen—the only automatic standby generator designed and warrantied specifically for off-grid use with an alternative energy system.

006103-0 (Aluminum - Gray)

FEATURES

- Capable of tying into an inverter and battery storage system to supplement the alternative energy source. This provides the cleanest running, low emission solution to recharging house batteries
- Provides uncommonly clean power with less than 2% THD (Total Harmonic Distortion)
- Rigid construction and added durability provide long engine life
- Sound attenuated enclosure ensures quiet operation
- Smooth, quick starting every time
- Easy installation
- 3 year limited warranty
